cornelius and george

their hands gesture their various degrees of intelligence
they are so poetically impressed with each other
 i am sick with their involvement
they are to(o) themselves
the most theoretically informed creatures here...
in a vacuum
of male-ness and black clothes and self-satisfaction
exchanging “lexicons” and “subjectivity”
 we forgot/i forgot
language makes context for small pockets
of the conceptually concrete (or is that challenged?)
 while i dumbly desire puffy hair, sick jokes
 and what it means to be less
