Physical altercations started at a very early age... I got into lots of fights.

I had a really poor attitude towards authority.

The first time I was brought home in a cop car, I think I was maybe 7.

Ryan

I had rage issues.
I would just fly off the handle for stupid things.

Once when I was 15, I just started throwing everything out my bedroom window.

I didn't even know why I was doing it.
